- Parent agrees to advise the Camp Directors promptly in writing of any change in the camper's physical or mental health between the date of enrollment and the start of the Camp season as well as throughout the camp season.

SPECIAL REQUESTS AND TRANSPORTATION:

- All special requests, i.e., bunking (grouping) need to be forwarded to our camp office in writing by February 15, 2010. Requests made after that date may not be honored due to prevailing placement conditions.
- Written requests for placement with friends are subject to Directors' approval and the best interests of the camper(s), the bunk, and the camp. Please consider the following when making bunk requests for your child NOT to be placed with another child: Due to the fact that other children with whom your child has been placed may have requested to be WITH the child that you do NOT want placed with yours, we will have to consider moving YOUR CHILD from his or her group of friends to honor your "not with" request. All bunk requests are treated with confidentiality whenever possible.
- Acceptance of Camper Enrollment is also based on transportation availability. It is virtually impossible to honor transportation requests.
- If you select the "self transportation" option, and desire to change to "camp transportation", the Camp must be notified in writing.
- All transportation address changes must be in writing no later than May 1, 2010. There is an additional fee for transportation if it involves two different addresses or a change in residence during the course of the camp program.
- An extended camp program is available for either before and/or after the regular camp day at an additional cost. To be a part of this program, transportation must be provided by the parent ("self trans").

- Parent or Guardian gives permission to have photographs/videos and audios of camper used in printed materials (brochures, etc.) or other media for promotional purposes.

CAMPER CODE OF CONDUCT AND RISK UNDERSTANDING:

- Parent /Guardian understands that part of the camping experience involves activities, group arrangements and interactions that may be new or unfamiliar to his or her child(ren). These things come with certain risks and uncertainties beyond what the child(ren) may be used to dealing with at home. Parent/Guardian is aware of these risks, and is assuming them on behalf of the child(ren). Parent/Guardian realizes that no environment is risk-free and so has instructed his or her child(ren) on the importance of abiding by the camp's rules.
