

## 👉 AQUATIC PROGRAM SURVEY

The Aquatic Program at SSDC is important for so many reasons, but the first and foremost reason for swim at camp is to teach everyone how to be water safe! Then the fun can begin.

Most CITS and LITS generally choose to learn how to assist at the pool during instructional swim time. This is always under the supervision of our Aquatics Staff. However, the Aquatic Staff is prepared to give instruction to the CIT or LIT if it is desired at an appropriate level. The CITS & LITS who choose to experience leadership opportunities during instructional swim participate in a workshop during the early days of camp with SSDC's Supervisor of Aquatic Instruction. This workshop is designed to help our CIT/LITs gain confidence and knowledge while learning how to relate to others.

We are therefore, asking parents to discuss with their CIT/LIT whether to *receive instruction or to participate in learning how to assist during their instructional swim period*. Please complete the form below so we may plan accordingly. Thank you.

Please circle CIT or LIT

CIT- LIT SIGNATURE \_\_\_\_\_

PARENT SIGNATURE \_\_\_\_\_

### PLEASE ✓ CHECK ONE OF THE CHOICES BELOW

1. \_\_\_\_\_ Please place the CIT/LIT named above into a group to *RECEIVE DAILY SWIM INSTRUCTION* at the appropriate level.
2. \_\_\_\_\_ Please allow the CIT/LIT named above to participate in *Leadership Learning during Instructional swim*.
