GROUP/ SPECIALTY SURVEY

Please look over the age groups listed below. **Start with # 1 being your most preferred group to be placed with for the LEADERSHIP portion of your day and continue to number your preferences.** This is the part of your day that you will have the opportunity to learn people skills and bond with staff and campers.

All placements are made by camp with great thought. You will be with your best friends during your recreational part of your day. Please understand that other than your requests to be with a particular age, we do not take requests to be with particular CIT/LITS in the morning.
